(1) Students will be charged per credit and total tuition for a given quarter is determined by multiplying the number of credit hours for which the student is registered and attends within the quarter by the tuition per quarter credit rate above. Total Program Cost does not reflect any subsequent tuition reductions for any transfer credit approved by LVC.

(2) Fees include program activities, exam fees, membership fees and simulation access fees.

(3) A nonrefundable entrance exam fee is required prior to registration and enrollment and includes the entrance exam that students in this program are required to pass prior to admission. If a prospective student does not pass the entrance exam, the prospective student may re-take the exam within the parameters described in the Admissions section of the Student Catalog, but additional fees will apply. Without a passing score on the entrance exam, a prospective student is not eligible for the background check and drug screening or for registration and enrollment into this program, and will not be charged a background check and drug screening fee or a registration fee.

(4) A nonrefundable background check and drug screening fee is required prior to registration and enrollment and includes the background check and drug screening that students in this program are required to pass prior to admission. If a prospective student does not pass the required entrance exam, the prospective student is ineligible for the background check and drug screening and will not be assessed a background check and drug screening fee. If a prospective student fails either the background check or drug screening, the prospective student is not eligible for registration and enrollment into this program and will not be charged a registration fee.
