Las Vegas COLLEGE

Student Right-To-Know Disclosures

In accordance with the federal *Student Right-to-Know Act*, and to assist you in making an informed decision about your career education, Las Vegas College has provided the latest Integrated Postsecondary Education Data System (IPEDS) graduation, retention and student body diversity rates for your review. Placement rates are available in the ACCSC Graduation and Employment Disclosure and in the LVC Nursing Program Outcomes, both of which can be found online at: https://lvcollege.edu/about/student-consumer-information/.

Annual Graduation Rate

The annual graduation rate is calculated based on a cohort of full-time, first-time, certificate-seeking students, enrolled from September 1, 2016 through August 31, 2017 and for whom 150% of the normal time for program completion has elapsed as of August 31, 2019. The initial cohort may be adjusted for students who left school to serve in the armed forces (or have been called up to active duty), on an official church mission, or with a foreign aid service of the federal government, or for students who died or became permanently disabled.

Annual Retention Rates

Annual retention rates are calculated based on the percentage of first-time certificate-seeking students enrolled from August 1, 2017 through October 31, 2017, who are still enrolled or have completed their program as of August 1, 2018. Rates are reported for both full-time and part-time students.

Full-Time Retention Rate	Part-Time Retention Rate
57%	N/A

Federal Pell Grant Recipient Rate

Percentage of Federal Pell Grant Recipients is based on the percentage of full-time, first-time, undergraduate students who were awarded a Pell Grant during the July 1, 2018 through June 30, 2019 award year. IPEDS did not calculate a Federal Pell Grant Recipient Rate for LVC during this reporting period because, under previous ownership, the school did not enroll any full-time, first-time students during the 2018-2019 award year.

Student Body Diversity

Student body diversity rates are based on the number of students who were enrolled at any time between August 1 and October 31, 2018.
