- (1) Students will be charged per credit and total tuition for a given quarter is determined by multiplying the number of credit hours for which the student is registered and attends within the quarter by the tuition per quarter credit rate above. Total Program Cost does not reflect any subsequent tuition reductions for any transfer credit approved by LVC.
- (2) Fees include program activities, exam fees, membership fees and simulation access fees.
- (3) Note: Students enrolling in these programs must also pass the Test of Essential Academic Skills (TEAS) as well as a criminal background check and fingerprinting/drug screening as explained in the admissions section of the catalog. Fees for these procedures will be paid directly by the student to the testing entities. See Admissions Advisor for more details.
